Panel Options | 65 x 16mm Slat

Installation Guide

Specifications

Std Heights: Various up to 2.4m
Std Widths: Various up to 2.2m
 Custom sizes available.
Materials: Aluminium- welded then powder coated
Tolerances: Max. height variance could be as much as +/- 10mm.

Widths: Widths specified on order will be the opening size, NOT finished panel size. Panels will be made 60mm less than opening size to allow for fixing channel. Fixing channel will allow for a further +/- 6mm for site variations.
Notes: Deco slat fencing must NOT be used for pool fencing. Aluminium Slat Panels exceeding 1200mm in width include a reinforcing flat bar welded on the back face in the centre of the panel.
