Advertising Signs

These low cost signs are the perfect medium to advertise your fencing business. Backed by the credibility of the Our Town Fencing brand, these signs place your message or brand directly in front of potential customers. When purchased you will need to supply us a message or branding information in order to supply the completed product. The signs are exclusively finished in blue on yellow Colorbond® and give years of reliable service.

Artwork Specifications

We require your details conveyed via email including contact details, registered trading name and license number. If you want to include a logo, we will need that delivered as an outline in one of the following formats : .ai, .eps, .pdf, .cdr. Please do not send through images, they will not be reproduced. If you have a preference for a font for your details or message, please indicate your preference. Only fonts in our database can be used. Please limit your message or details to fit in the available space. Your message may be edited if required to fit.
